

## \*380 Chanel Style Jacket

### Pework:

- Note 1: if using Toconao or other kettle dyed yarn, work with 2 skeins simultaneously: 2 rows skein 1, 2 rows skein 2 - do not cut the yarns, merely carry them up the side as you work.
- Note 2: if using Cascade 220 with Kid Silk Haze, make sure to work your gauge swatch with one strand of each held together.

### Gauge Swatch:

Cast on 22 sts

Knit 3 rows

R4: k2, P18, k2

R5: Knit

Repeat R4 and R5 until 4.5" long

Measure across center 18 sts. Piece should measure 4"

Measure length of center 18 sts. 25 rows = 4"

Once you have achieved gauge, cast on and complete back and both fronts to the armhole shaping. We'll begin class on the Left Front armhole shaping.
