Repeat rows 4 & 5 for 4" – measure horizontally across the center for 4"

Fyne:

Cast on 29 stitches using Felted Tweed. Knit 3 rows.

Row 4: K2, P25, K2

Row 5: Knit

Repeat rows 4 & 5 for 4" – measure horizontally across the center for 4"

Bron:

Cast on 26 stitches using Silky Tweed. Knit 3 rows.

Row 4: K2, P22, K2

Row 5: Knit

Repeat rows 4 & 5 for 4" – measure horizontally across the center for 4"

Once gauge has been achieved, cast on for the pattern and size you have selected.

Complete the ribbing for both the back and front pieces.

NOTE: Our store sample "Dotty" was cast on using a tubular cast on method. If you'd like to use this method, consider taking the "tubular cast on/off" class prior to beginning your pre-work.

Dotty: once ribbing is complete, work the first 2 stockinette rows of the chart pattern.

Fyne: once ribbing is complete work the first 4 stockinette rows of the chart pattern.

Bron: once ribbing is complete work the increase row and change to the larger needles. Work the first row in stockinette.
