Gauge Swatch:

Cast on 17 stitches.

Rows 1-3: Knit

Row 4: Knit 2, purl 13, knit 2

Row 5: Knit

Repeat rows 4 and 5 until swatch measures 4" in length. Measure across the center of the swatch excluding the garter stitch borders. Swatch area should measure 4".

Once gauge has been achieved, cast on the stitches indicated in the "Bulky Weight Tank" portion of the pattern for your size. Make sure to verify that you are using the "bulky weight" portion on the back of the pattern.

Work in stockinette stitch (knit one row, purl one row) until the piece measures the length desired to reach underarm (10-12.5" as indicated in pattern). Leave stitches on a spare needle or holder.

Cast on and work the front piece as indicated above. Both the front and back are identical to this point.

We will begin class with armhole shaping.
