

## \*583 Monika Hat & Bag

### Gauge Swatch:

(note that yarn is held double stranded throughout the project!)

18sts x 36rows in garter stitch (knit every row) = 4" on larger needle

Once gauge has been achieved, cast on using a cotton waste yarn, then change to CC1 and work the bag as indicated in the pattern (page 42). Do not bind off.

We'll complete the bag finishing in class.

### Hat:

Begin the bag as indicated, working through row 6 of the welt pattern. We'll work the short rows in class.
